ART ACTIVITY INSTRUCTIONS:

EXPLORATION OF RHYME SCHEMES

@ARTSCORPS

#MAKEARTANYWAY
This lesson explores different rhyme schemes and how they may enhance a song, poem or rap.

**Learning Goals:**

- You will learn the definition of a rhyme scheme.
- You will learn how to read a rhyme scheme and determine rhyme pattern.
- You will explore commonly used rhyme schemes.

**Activity Opening:**

Rhyme schemes are used in poems, songs, and raps. When we listen to raps, poems, or songs, the thing that catches us is the rhyme. So let's have some fun and learn about rhyme schemes.

A rhyme scheme is the pattern the rhyme follows. So if you see a rhyme scheme that says:

```
A
A
A
A
```

that means that there are four lines and they all rhyme. The repeating letter means that the lines rhyme. If you see a rhyme scheme that says:

```
A
B
A
B
```

we know that the two A lines rhyme and the two B lines rhyme. So in that rhyme scheme, the 1st and 3rd lines rhyme and the 2nd and 4th lines rhyme. Here is an example:

A  My name is Erica
B  I love to sing
A  I live in America
B  And I do my thing
Another common rhyme pattern is:

```
A

A

B

B
```

I bet you can guess that the first two lines rhyme and the second two lines rhyme. A rhymes with A and B rhymes with B! Here is an example:

```
A My name is Erica
A I live in America
B I like to dance
B Anytime I get the chance
```

The next rhyme scheme we will look at is:

```
A My name is Erica
B I love to write
C My best story
B Is about my life
```

So here the only two lines that rhyme are the 2nd and the 4th.

Let’s try:

```
A

A

A

A
```

```
A They call me “E”
A My spirit’s free
A Love being me!
A So naturally
```
Now it’s your turn to write 4 lines about yourself using the rhyme scheme. And then you will sing along with me. Think about these four lines as a way to introduce yourself, just like I did in my earlier lines. Try:

```
My name is Erica (YEAH!)
I like to sing (YEAH!)
And when I dance (YEAH!)
I do my thing (YEAH!)
(ROLL CALL!)
```

Now try a different rhyme scheme:

```
A
A
B
B
```
